NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS

Sir:

Pursuant to 37 CFR § 1.27(g)(2), Applicants are hereby providing notice of Applicants' change in entity status. After reviewing Applicants' entitlement to small entity status, Applicants have decided, in an abundance of caution, that it would be appropriate for Applicants to pay large entity fees dating back to August of 2008. As such, Applicants are submitting the issue fee for large entity herewith. Applicants have reviewed the prosecution history and have determined that there has been no deficiency of fee payment for the relevant time period; however, if there is an error, the Office is authorized to charge such fee deficiencies and any fees that are due in connection with the error and/or this application to Deposit Account No. 50-3912.

Respectfully submitted,

Customer No. 87084
